

## 7. Payout Settings

This guide will show you how to complete your Payout settings so you can get paid for sales.

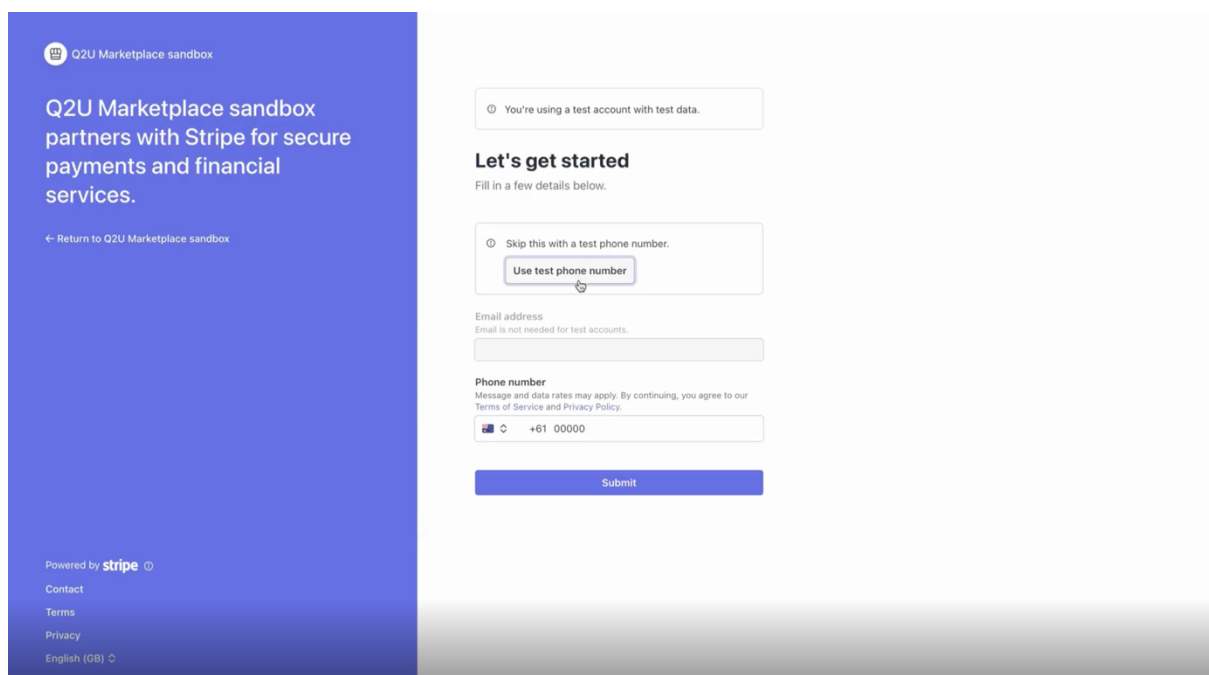

Before you can publish active listings, you'll need to complete your payout settings so you can receive payments from your sales.

Go to the Payout Settings tab, then click Connect with Stripe.

You'll be redirected to Stripe Secure Verification Platform.

First, enter your phone number, then confirm the verification code sent to you.
